Thanks for voting us gold for:
Best New Car Dealership
Best Place to Buy A Used Car
Best Mechanic (Paul Jodun)
Best Oil Change

We genuinely appreciate this awesome honor, as a token of our appreciation we are going to celebrate by pricing select new inventory 1% below invoice and by offering complimentary Virginia State Inspections now through the end of 2024.

AND THAT ONE-OF-A-KIND STARR TREATMENT**

Your choice - the Locals Choice

What you're holding here is the collected wisdom of over XXXXXX people who cast over XXXXX votes for their favorite shops, restaurants, service providers, parks, entertainment venues and more in the *Suffolk News-Herald's* Locals Choice Awards program.

What you're not holding are the results of a scientific study. These results represent people's opinions, expressed through online voting late this summer. You'll probably disagree with some of the results, you will be surprised by some and there are some you're likely to cheer.

The best way to show your favorite businesses your support, of course, is to continue giving them your business. After that, you can recommend your friends give them a shot, too.

Meanwhile, have a little fun learning who got top marks in this year's Locals Choice Awards program. Enjoy the surprises and recognize the customer engagement it took for anybody to come out on top in this contest.

We hope the results remind you to visit an old favorite you may not have been to in a while. Maybe you can also try something you see that will become a new favorite, too.
